Dear Mrs Orsmond,

FULL ACCREDITATION – Mining & Surface Certification cc
ACCREDITATION NO: 17-QA/ACC/0658/11

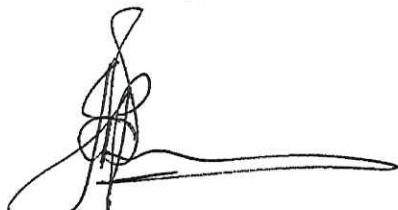

It is our pleasure to inform you that the MERSETA review committee approved **Mining & Surface Certification cc's** application for full accreditation as a provider on **5 February 2014** for the qualification and/or unit standards listed on your statement of qualifications and unit standards.

Please note that if your accreditation was for an area of specialisation within a qualification, this accreditation is for that area of specialisation only. The provider is therefore required to deliver strictly according to the registered NQF qualification with specific reference to the "Qualification rules".

MERSETA will continue to monitor the standard of your training through regular auditing of the implementation of your quality management system. You will be contacted in this regard.

Congratulations on your achievement and thank-you for your high level of commitment and professionalism.

Yours sincerely,

CHRISTO BASSON
